

**Submission of Abstracts:**

***Maximum 500 words: Please use the specific online submission form.***

The abstracts will be blind reviewed by 2 reviewers and will either be accepted or suggestions for improvement will be provided. In this case the abstract can be re-submitted. The names(s) of the author(s) and their affiliation and position will be provided separate from the abstract, to allow for blind reviewing. The abstracts will be numbered.

**Guidelines for Abstracts Papers:**

Your abstract for either theme should refer to:

1. The context of the research or teaching innovation.
2. The problem that is being addressed.
3. The research methodology applied or the new teaching practice design implemented.
4. Outline discussion of conclusions.
5. Implications for Higher Education.

**Guidelines for Abstracts Workshops and Best Practices:**

Your abstract for either theme should refer to:

1. The context of the workshop/best practice within the theme.
2. The objective(s)
3. The methodology applied or the new practice design implemented.
4. The outcome
5. The interactive approach

**Deadline for the submission: December 1<sup>st</sup>, 2010**

Selections will be made by January 5<sup>th</sup>, 2011
